Dear Mr. Amara;

Thank you for contacting our department. We have reviewed the professional archaeological survey report you provided for the proposed Mansfield Pond Restoration Project, Grant County, Washington.

We concur with your determination of No Historic Properties Affected.

We would also appreciate receiving any correspondence or comments from concerned tribes or other parties that you receive as you consult under the requirements of 36CFR800.4(a)(4).

These comments are based on the information available at the time of this review and on behalf of the State Historic Preservation Officer in compliance with the Section 106 of the National Historic Preservation Act, as amended, and its implementing regulations 36CFR800.4.
